AMENDED 06-CV-503

Raymundo Fernandez v. OSCAR Aviles,  
And Eric Roberts

SIR, I wish to Amend the following defendants  
to plaintiff's claim.

Defendant 1 OSCAR Aviles  
Official Position DIRECTOR of Hudson County CORR. Center  
Place of Employment. Hudson County CORR. Center

Defendant has oversee's the daily Operations of  
this facility, and has failed to correct Serious Problems  
Regarding Inmates CARE, And Housing.

Second Defendant. Eric Roberts

Official Position. Deputy Director

Place of Employment. Hudson City CORR. Center.

How is this Person Involved?

He Also oversees operations of this Facility  
And is neglecting several issues of Inadequate  
CARE, AND Housing.

## Civil Rights Complaints

Defendants are responsible for all of the Daily operations of this institution, and the physical and mental as well environmental Health conditions endured by all inmates and detainees confined within this institution.

Plaintiff's contends that said defendant is responsible for the water supply flowing within this institution, and that the water is environmentally safe for human consumption and bathing.

Plaintiff's further submits that and as stated as follows as for the overall Violations:

- 1) Living in an over crowded prison for the past months at over 150% capacity.
- 2) Poor water quality, Water tastes, and smells badly, it is unsuitable for drinking and leaves skin very dry and irritated causing rashes, and minor skin infections, and itching.
- 3) No heat during winter months and only allowed  
① Sheet and ① Thin Blanket to keep warm.

- 4) Concerns of the recirculated air, and the continued Rigid Air temperature.
- 5) Unsanitary food that does not meet basic nutritional need. Hot foods are often served cold, and only one small container of Hot tea in the am. For the entire Tier. of Approx 96 inmates / detainees. Food is often brought inside the Tier only to be transferred to the floor by the feeder's wearing no plastic gloves or hairnets as they handle food before serving food to inmates and detainees.
- 6) No PARA legals or assistants in law library to help assist in legal research.
- 7) H.C.C.C. does not Honor certified mail which denies inmates access to the Courts.
- 8) H.C.C.C. does not check the records/paperwork of inmate and detainee is and should be legally detained.
- 9) Inmate's are housed in general population with contagious diseases such as HIV, AIDS, and Hepatitis.
- 10) Inadequate cleaning supplies, such as mops, ringers buckets and brooms, Soap scum on showers is Atrocious. Inmates are not given cleaning supplies to clean cells, floors, walls, etc.

Plaintiff's submits the following said parties mentioned in this Action be held Accountable, and that equitable PROCEDURAL due PROCESS of LAW is/HAS been denied to plaintiff AS well AS SERIOUS enviromental And health Risk
